# TRANSVISTA AFRICA LTD

## PAYMENT, BOOKING & REFUND POLICY

**Applies To:** All TransVista Africa Ltd tours, trips, travel experiences, events, and related services.

## 1. PURPOSE OF THIS POLICY

This Payment, Booking & Refund Policy outlines the terms and conditions governing payments, bookings, deposits, cancellations, refunds, transfers, and travel credits with TransVista Africa Ltd.

The purpose of this policy is to ensure **transparency, accountability, proper financial planning, and a smooth experience for all clients**.

By making a payment to TransVista Africa Ltd, a client confirms that they have read, understood, and agreed to the terms contained in this policy.

## 2. PAYMENT OPTIONS

Clients may secure their participation in a TransVista trip or event through either of the following options:

### A. Full Payment

Clients may pay the full advertised amount at the time of booking.

### B. Deposit Payment

Clients may make a minimum deposit of **30%–50% of the total trip or service cost**, depending on the specific trip or event.

A deposit is considered a booking payment only when it meets the minimum amount required for that particular trip.

### C. Flexible Savings

Clients may make smaller or flexible payments toward a future trip through the TransVista Travel Wallet.

**Take Note:** Flexible savings do not automatically secure a place on a particular trip. A booking is only secured when the required minimum deposit for that trip has been reached.

## 3. BOOKING CONFIRMATION

A booking is considered **provisionally reserved** once the required minimum deposit has been received and successfully recorded by TransVista Africa Ltd.

However, a booking will only be considered **fully confirmed** when the total required payment has been completed.

Clients are therefore encouraged to complete their payments as early as possible to avoid losing their reservation.

TransVista reserves the right to release an unpaid or incomplete reservation where the applicable payment deadline has passed.

## 4. PAYMENT DEADLINES

Unless a different deadline is communicated for a particular trip or event:

- Full payment must be completed **at least 7–14 days before the scheduled trip date**.

- Specific trips may have earlier payment deadlines depending on accommodation, transportation, ticketing, venue arrangements, or other third-party commitments.
- Clients will be informed of any special payment deadline applicable to their booking.

Failure to complete payment by the stated deadline may result in:

1. Loss of the reserved space;
2. Release of the reservation to another client;
3. Loss or adjustment of certain booking benefits;
4. Additional charges where applicable; or
5. Cancellation of the booking in accordance with this policy.

Clients are responsible for ensuring that their payments are made on time.

## 5. PAYMENT INSTALLMENTS

Where installment payments are permitted, clients are expected to follow the payment schedule communicated by TransVista.

Installment payments do not change the total cost of the trip unless otherwise communicated.

A client who falls behind on an agreed payment schedule may be contacted by the TransVista team and given a specified deadline to regularize the account.

If the client fails to meet the revised deadline, TransVista may release the booking in accordance with the applicable cancellation and refund terms.

## 6. TRANSVISTA TRAVEL WALLET

The TransVista Travel Wallet is a savings system that allows clients to make payments toward future TransVista trips and experiences.

### Travel Wallet Terms

- Clients may deposit funds into their Travel Wallet at any time.
- Wallet funds may be used toward eligible future TransVista trips or services.
- Wallet funds do not automatically constitute a confirmed booking.
- A booking is only secured when the required minimum deposit for the selected trip has been met.
- Travel Wallet funds are valid for **6–12 months from the date of deposit**, subject to the terms communicated for the specific wallet arrangement.
- Clients may be required to provide their payment reference or other transaction details when requesting confirmation of their wallet balance.

Clients should contact TransVista before making assumptions about the availability or applicability of wallet funds toward a specific trip.

## 7. REFUND & CANCELLATION POLICY

Refunds are determined based on the time remaining before the scheduled trip.

### Cancellation 7 or More Days Before the Trip

Clients may be eligible for a **full refund**, subject to any non-refundable third-party costs already incurred by TransVista.

**Cancellation 3–7 Days Before the Trip**

Clients may be eligible for a **partial refund of approximately 50%–70%**, depending on the circumstances and costs already committed.

**Cancellation Less Than 3 Days Before the Trip**

Payments are generally **non-refundable** because significant arrangements and expenses may already have been committed.

Where a specific trip has different cancellation terms, the terms communicated for that trip shall apply.

## 8. NON-REFUNDABLE THIRD-PARTY COSTS

Where TransVista has already made payments or commitments to third-party service providers on behalf of a client such as transport providers, hotels, venues, tour guides, attraction sites, ticketing agencies, or other service providers such amounts may be deducted from any applicable refund.

Clients will be informed where such deductions apply.

## 9. TRAVEL CREDIT OPTION

Instead of requesting a cash refund, clients may choose to convert an eligible payment into **TransVista Travel Credit**.

Travel Credit may be applied toward an eligible future TransVista trip or experience.

Where Travel Credit is selected:

- The credit will be recorded against the client's name or booking details.
- The applicable validity period will be communicated by TransVista.
- Travel Credit may be subject to the terms and conditions of the future trip.
- Any difference in price between the original booking and the new trip may be payable by the client.

Travel Credit may be a preferable option where a client is unable to attend a particular trip but intends to travel with TransVista in the future.

## 10. BOOKING TRANSFER POLICY

A client who is unable to attend a trip may request to transfer their booking to another person.

Transfer requests must be communicated to TransVista **before the applicable deadline** and must be approved by the TransVista team.

The replacement participant must provide all information required for registration and participation.

Any additional costs resulting from the transfer, including changes to transportation, accommodation, tickets, identification details, or other arrangements, may be charged to the client.

A booking transfer does not automatically guarantee a refund.

## 11. PRICE PROTECTION

Clients who make an early deposit may benefit from **price protection**, meaning their payment may secure the advertised price applicable at the time of booking.

TransVista reserves the right to adjust prices where there are changes in:

- Transportation costs;
- Accommodation costs;
- Fuel prices;
- Entrance or activity fees;
- Exchange rates;
- Supplier charges;
- Government or regulatory charges; or
- Other operational expenses.

Clients who delay payment may therefore be subject to an updated price where applicable.

## 12. GROUP BOOKINGS

TransVista may offer special rates or discounts for group bookings.

Group discounts are not automatic and may depend on:

- Number of participants;
- Type of trip or event;
- Destination;
- Transportation arrangements;
- Accommodation requirements; and
- Other operational considerations.

Any applicable group discount will be communicated and confirmed by TransVista before payment.

## 13. PAYMENT CHANNELS

Payments may be made through payment channels officially approved and communicated by TransVista Africa Ltd.

These may include:

- Mobile Money;
- Bank Transfer;
- Approved digital payment platforms; and
- Other officially designated payment channels.

**Clients are advised not to make payments to unauthorized individuals or personal accounts unless expressly instructed by an authorized TransVista representative.**

Clients should retain proof of payment until their payment has been confirmed and recorded.

## 14. PAYMENT CONFIRMATION

A payment is only considered received when it has successfully reflected in the designated TransVista account or payment system and has been verified by the TransVista team.

Clients are encouraged to submit their payment reference or proof of payment where requested.

A payment screenshot or receipt alone does not constitute booking confirmation until the payment has been verified.

## 15. PAYMENT TRACKING & RECORDS

All payments, deposits, Travel Wallet contributions, balances, refunds, and applicable credits will be recorded and tracked through TransVista's internal systems.

This process is intended to promote:

- Transparency;
- Financial accountability;
- Accurate booking records;
- Easy reconciliation of payments; and
- Better client service.

Clients may contact the designated TransVista representative if they believe their payment has not been properly reflected in their account.

## 16. TRIP CANCELLATION OR CHANGES BY TRANSVISTA

In circumstances where TransVista Africa Ltd is required to cancel, postpone, reschedule, or materially change a trip or event due to unforeseen circumstances, operational challenges, safety concerns, insufficient participation, supplier issues, government restrictions, weather conditions, or other circumstances beyond its reasonable control, affected clients will be notified as soon as reasonably possible.

Depending on the circumstances, TransVista may offer one or more of the following:

- Rescheduling to a new date;
- Transfer of the booking to another TransVista trip;
- Travel Credit; or
- A refund where applicable.

The specific resolution will depend on the circumstances of the cancellation and any non-refundable commitments already made.

## 17. CLIENT RESPONSIBILITIES

Clients are responsible for:

1. Providing accurate personal and booking information;
2. Making payments within the communicated deadlines;
3. Keeping proof of payment;
4. Reading and understanding the terms applicable to their booking;
5. Informing TransVista promptly of any changes affecting their booking;
6. Providing accurate emergency or relevant travel information where required; and
7. Complying with all trip-specific requirements communicated by TransVista.

TransVista will not be responsible for losses arising from inaccurate information supplied by a client or failure by a client to comply with communicated requirements.

## 18. PAYMENT DISPUTES

Any payment discrepancy or dispute should be reported to TransVista as soon as possible.

Clients should provide relevant information, including:

- Full name;
- Trip or event booked;
- Date of payment;
- Amount paid;

- Payment channel;
- Transaction/reference number; and
- Proof of payment, where available.

TransVista will review the matter and provide clarification or resolution within a reasonable period.

## 19. POLICY ACKNOWLEDGEMENT

By making any payment toward a TransVista Africa Ltd trip, event, service, or Travel Wallet, the client confirms that they:

- Have read and understood this Payment, Booking & Refund Policy;
- Agree to comply with the applicable payment and booking terms;
- Understand the applicable cancellation and refund conditions; and
- Accept that payment constitutes acceptance of these terms.

## 20. RIGHT TO UPDATE THE POLICY

TransVista Africa Ltd reserves the right to review, amend, or update this policy when necessary to reflect changes in its operations, services, payment systems, supplier requirements, or applicable regulations.

Where material changes affect an existing booking, TransVista will communicate the relevant changes to affected clients where reasonably practicable.

**TRANSVISTA AFRICA LTD**

**Smart Mobility. Curated Experiences. Community Impact.**

For payment enquiries, booking confirmation, refunds, Travel Wallet enquiries, or other payment-related matters, clients should contact the officially designated TransVista representative or communication channel.
